The Total Probable Cost along with the Township allocated portion of the Total Probable Cost is set forth above. Without requiring further action from either party, this contract will automatically be adjusted to reflect the actual contractor bid amount and the Township's actual allocated portion thereof (which it is agreed and understood shall not exceed 110% of the Township's allocated portion of the Total Probable Cost). A contingency amount of an additional 10% of the actual contract amount is provided for unforeseen or variable project costs. If MCRC determines that the actual contract cost will exceed the contract bid amount, MCRC will advise the Township representative as soon as practical. An increase in project costs exceeding 110% of the Township's allocated portion of the actual contract bid amount shall require prior Township approval using the Road Improvement Contract Change Form.

The Township will receive monthly progress billings payable to the MCRC within thirty (30) days.

A contingency amount of an additional 10% of the actual contract amount is provided for unforeseen or variable project costs. If MCRC determines that the actual contract cost will exceed the contract bid amount, MCRC will advise the Township representative as soon as practical. An increase in project costs exceeding 110% of the Township's allocated portion of the actual contract bid amount shall require prior Township approval using the Road Improvement Contract Change Form.

The Township will receive monthly progress billings payable to the MCRC within thirty (30) days.

Approved by the Township Board on the 13<sup>th</sup> day of February, 2020.
