

Supervisor's Report

January – February

2023

1-12 Levi Linderman text me, stop sign on Platt & Sherman on east side of Platt was knocked down reported to MCRC with Rebecca.

1-13 Went to MCRC for federal aid committee for Monroe County & how money is spread around for repairs. Also spoke with Matt McBreairty; he will check on bridge repairs on N. County Line Rd.

1-14 Night 2 overhead streetlights out on Cone, marked with pink ribbon. Went to Azalia & marked 3 streetlights with pink ribbon so DTE could get them repaired. Note on light out by the old store but did not mark due to private property.

1-15 Spoke with Best Buy about sound system & zoom for our meetings - they are coming out 1-20 between 11:30am & 1:30pm.

1-16 Looked at township hall lights that are now operational.

1-17 Met with internet company about supervisor's report & getting Barb's computer repaired. Also met with Sharon Thatcher about solar possibly getting water to us. Spoke with Marty from Corrigan propane about expanding parking lot - copied pages for them, they will need site plan & permits. Also spoke with Kevin about ride along to cemeteries to look at trees; will visit all 3 in our township when weather dries up.

1-18 Spoke with Matt McBreairty - he emailed me information on County Line bridge replacement & other bridge replacement. He is also checking on Couper Rd. culvert. Also called surface transportation board spoke with Elizabeth about train she has the info on dates for Norfolk-Southern train blocking Platt for 4 days (11-17-22 to 11-22-22) she contact Norfolk-Southern train & call us back, thanked her for her time.

1-19 Called DTE back again about additional streetlights out left VM.

1-20 Met Best Buy at township hall along with Barb, township Clerk. Best Buy cannot set up a permanent sound system that can be transportable. Barb called me asking for credit card # for MTA conference; explained that I would not as us as a board put it on hold at Jan 12th meeting, she hung up. I called her back, left a VM. I called again 45 minutes later, explained that we had put this on hold in the meeting & she hung up again.

1-23 Drove some backroads - it appears Petersburg Rd. (between Day & Milwaukee) will not be afforded as no one lives on those sections of road. Went to MCRC meeting - they are purchasing 1 brand new tandem axle truck for 2023 for \$127,706 & they also ordered another for 2024 budget for same price.

1-24 Spoke with Fire Chief Bob Stevens about fire dept possible battery fire & training for this ordeal. Emailed Matthew McBreairty about Couper Rd. culvert, possible price or idea. Also emailed IVS rural reach about fiberoptic internet - they will investigate. Went to township hall, met Jenna to look over the minutes. Cell phone equipment company called, wanted to know zoning & ordinance when changing equipment from towers - will research it & gave him building inspector's name & phone

number as well. Called MTA about my training class that I could not attend. They sent out a link for my training.

1-25 At township hall got mail looked over some budget items.

1-26 Meeting in Dundee on rural fiber internet from federal level to state level of MIHI, a division of Michigan Economic & Labor about questions on what the holdup is on funds & how to get funds, 11-4 time. Went to fire board meeting, 5pm at fire hall - went over audit of fire dept & new business.

1-30 Final request info on Dolezal land buy to add to his farmland from a property split sent to Karen Lieb.

1-31 Budget meeting at 10:30am at hall till roughly to 1:00pm.

2-1 Meeting with CASA, expressing concerns on solar. Also met with Kevon Marti. Went to township met with Joel on property taxes.

2-2 Meeting in Chelsea for BOR training 11am - 4pm.

2-6 At township office 11:00 to 4:01pm. Meeting with John from P/C. Also met with Clara Ostrander - she gave some info on petition for solar. Also, Gary Heath stopped in; a couple of residents came in as well to pay taxes. Met with Karen Lieb as well about BOR class - gave her my certificate.

2-7 Called Tim Duby - went over blight & enforcement report and how it is going. Called Dave Friend, left voicemail about Friday's meeting with Corrigan regarding possible plans for their property on Cone Rd. DTE back again - left another vm about streetlights. DTE called back – it was a new supervisor; they are going to escalate. Then another supervisor called back, they are assigning us a new municipality service rep who will follow up with us as well. Spoke with township attorney & emailed him as well. Did planning commission meeting zoom & sound with help from Amanda.

2-8 Prepared for Thursday monthly meeting also got fire dept report. Called Bronco from MCRC about our roads, explained the difference of grading in late fall & not grading in late fall and the condition of the roads - he will drive out & inspect. Called Kevin Heath, Jackie Heath, Teresa Himes, Jason Heath, Erik Heath, Amy Heath, Stefanie Aultman & gave each an apology on behalf of the township board over the outburst from a resident during Teresa Himes public comment time.

2-9 Monthly township meeting helped set up zoom & sound for our deputy clerk.

Respectfully,

Mark Bogi
Supervisor
Milan Township
